Date

By signing this application, you certify to the best of your knowledge that you are an "eligible customer" and that the facility for which net metering is sought is an "eligible renewable electrical generating facility" as those terms are defined in 220 ILC 5/16-107.5 (the law governing net metering in Illinois.) By signing this application, you also agree and understand that your signature on this application merely starts the application process with Better Buy and that you will be notified by Better Buy when your application for net metering service is approved or denied.

Please return completed application to:

Better Buy Energy  
Attn: Net Metering  
6555 Sierra Drive  
Irving, TX 75039

\*Please check with your current provider if you have any earned excess credits. When switching suppliers you may lose net-metering credits and (if taking retail electric service from an Alternative Retail Electric Supplier) you may also be subject to early termination fees from your current supplier.
